- At Risk
- Champions
- Loyal Customers
- Potential Loyalists
- Recent Customers
- Needs Attention
- Lost

Segment	Avg Recency	Avg Frequency	Avg Monetary
At Risk	16	12	6,271.42
Champions	132	9	3,894.23
Lost	11	1	359.75
Loyal Customers	388	3	1,058.79
Needs Attention	113	3	1,273.68
Potential Loyalists	369	2	546.60
Recent Customers	368	1	359.27

At Risk customers spend the most on average (£6,271) — losing them would hurt revenue significantly. Champions are our best customers, buying frequently and consistently. Over 1,100 new customers haven't returned yet, getting them to buy again should be a top priority.
